### United States Obtains Final Judgment and Permanent Injunction Against Edward Snowden

On Sept. 29, 2020, the U.S. District Court for the Eastern District of Virginia entered a final judgment and permanent injunction against Edward Snowden, a former employee of the Central Intelligence Agency (CIA) and contractor for the National Security Agency (NSA).

In September 2019, the United States filed a lawsuit against Snowden, who published a book entitled *Permanent Record* in violation of the non-disclosure agreements he signed with both CIA and NSA. The lawsuit alleged that Snowden published his book without submitting it to the agencies for pre-publication review, in violation of his express obligations under the agreements he signed. Additionally, the lawsuit alleges that Snowden has given public speeches on intelligence-related matters, also in violation of his non-disclosure agreements.

The United States' lawsuit did not seek to stop or restrict the publication or distribution of *Permanent Record*. Rather, under well-established Supreme Court precedent, *Snepp v. United States*, the government sought to recover all proceeds earned by Snowden because of his failure to submit his publication for pre-publication review in violation of his alleged contractual and fiduciary obligations.

*\*HISTORICAL NOTE: During the first debate between Trump and Biden on October 29th, 2020, moderator Chris Wallace pressed Trump to "disavow white supremacists" and the left wing media spent the following news cycle trying to push the idea that Trump had refused to answer, despite the fact that he answered directly during the debate, as*

well as on numerous occasions in the past, including being asked by Chris Wallace himself in 2016, as pointed out here by Dave Rubin via Ali Alexander.

## SPECIAL HISTORICAL ARTICLE

### WHITE HOUSE PRESS SECRETARY KAYLEIGH MCENANY'S CLOCK COMMS

(Q post #4730, 9/16/20)

On the morning of October 5, 2020, just as President Trump was preparing to return to the White House after recovering from his Covid-19 diagnosis, his Press Secretary Kayleigh McEnany announced that she had tested positive and would be going into isolation. During the next two weeks she would make several appearances from her home on both Fox News and Fox Business Channel.

<https://twitter.com/PressSec45/status/1313138387994509313>

<https://archive.ph/sc70i>

**Kayleigh McEnany 45 Archived**  
@PressSec45

After testing negative consistently, including every day since Thursday, I tested positive for COVID-19 on Monday morning while experiencing no symptoms. No reporters, producers, or members of the press are listed as close contacts by the White House Medical Unit. Moreover, I definitively had no knowledge of Hope Hicks' diagnosis prior to holding a White House press briefing on Thursday. As an essential worker, I have worked diligently to provide needed information to the American People at this time. With my recent positive test, I will begin the quarantine process and will continue working on behalf of the American People remotely.

- White House Press Secretary Kayleigh McEnany

10:26 AM · Oct 5, 2020 · Twitter Web App

She first appeared on Fox Business Channel on the morning of October 6, 2020 at 11:45 am EST. Keen-eyed observers quickly noticed that the clock behind her displayed the incorrect time of 10:10, with the hour hand on the 10 and the minute hand on the 2. She would also appear on "The Breaking Story" with Martha MacCallum on Fox News later that same evening at approximately 7:00 pm EST. Later that week, on October 9, she would appear on Fox News morning show "Fox & Friends" at approximately 8:45 am EST, followed the next day on October 10 with an appearance on Fox News Saturday evening show "Watters World" with Jesse Watters at approximately 8:30 pm EST. For all of these appearances her clock was set to the incorrect time of 10:10.

Readers of Q immediately made the connection that this was the same configuration of the Mickey Mouse clock included in Q post #4730 from September 16, 2020. The clock also caught the attention of Senator Chuck Grassley, who commemorated the incident in a bemused and slightly cryptic tweet on the evening of October 10.

Three days later, on October 13, 2020, McEnany would again appear on a morning segment of Fox Business Channel. Once again, her clock was set to the incorrect time, but on this occasion it was set to a different incorrect time. She appeared at approximately 8:15 am EST, but her clock displayed the time of 3:15. Once again, those who were regular readers of Q posts noted that this was the same time displayed in one

of the "Watch COMMS" posts (wherein Q would post a photo of a wristwatch that would correlate to the date or time of some future action by the President.) This particular watch appeared in Q post #2647 on January 5, 2019.

Huck

May 17 at 2:47 pm

Not AE, but someone else there. Not sure who. I wasn't listening in, but our carrier pigeon said in debrief that they said something along lines of: "No wonder no one in our business has called Limey out, what's the point when you all keep bringing us great stuff? It actually helps our pageviews when she gets all of her minions fired up with dumb shit first"

#### House Intelligence Committee to Hold Virtual Open Hearing on Misinformation and Conspiracy Theories Online

Washington, DC – On Thursday, October 15, 2020 at 1:30 pm ET, the House Permanent Select Committee on Intelligence (HPSCI) will convene a virtual unclassified hearing entitled, “Misinformation, Conspiracy Theories, and ‘Infodemics’: Stopping the Spread Online.”

Conspiracy theories and misinformation narratives that prey on individuals’ fears and uncertainties continue to mar the online landscape. Against the backdrop of a global pandemic, an economy in turmoil, and a tumultuous presidential campaign, there is ample terrain for malicious actors at home or malign foreign operatives and governments abroad to exploit such tensions by stoking chaos and dangerous, even life-threatening, untruths. Recent trends in the spread and reach of misleading or unfounded claims online have the unsettling potential to come to a head after Election Day – particularly if the certified outcome is unknown or contested in the ensuing days and weeks.

Although the seeds for many conspiracies and misinformation narratives – ranging from baseless QAnon posts, to dangerous coronavirus skepticism and denialism, to falsehoods about mail-in ballots – are often homegrown and amplified by American voices, the propaganda and covert influence machines of foreign adversaries have nonetheless repeated and amplified them in the service of strategic interests.

In the hearing, the Committee will examine:

- the intersection of and divergences between different online conspiracy and misinformation narratives;
- the role of social media platforms in the proliferation and deceleration of such content;
- how foreign actors are taking advantage of misinformation circulating U.S. online communities;
- steps that the US government and private sector need to take in response; and
- the implications for our social and political discourse beyond Election Day 2020.

MEMORANDUM FOR THE ACTING ATTORNEY GENERAL

THROUGH: Robert K. Hur, R-KH  
Principal Associate Deputy Attorney General

FROM: Scott N. Schools, SWS  
Associate Deputy Attorney General

SUBJECT: Confirmation of Authorization of the Special Counsel to Investigate  
Enumerated Matters

TIMETABLE: As soon as possible.

SUMMARY: The Special Counsel requests confirmation of his authority to investigate the matters identified below. The requested confirmation facilitates an efficient, full, and thorough investigation of the Russian government's efforts to interfere in the 2016 presidential election. As noted below, it may be appropriate to reassign certain matters identified below to a United States Attorney's Office or Department component at some point in the future. I recommend that you confirm the authority of the Special Counsel to investigate matters identified herein.

DISCUSSION:

On May 17, 2017, you appointed Robert S. Mueller III as Special Counsel "to ensure a full and thorough investigation of the Russian government's efforts to interfere in the 2016 presidential election," and specified his investigative and prosecutorial authority. Order No. 3915-2017. Thereafter, on August 2, 2017, you executed a classified memorandum that further identified specific matters included within the Special Counsel's investigative authority. During the course of his investigation of the authorized matters, the Special Counsel has identified additional individuals whose conduct he should investigate in order to fulfill his responsibilities as set forth in the appointment order. Those individuals and the basis for their inclusion within the Special Counsel's investigative purview are more fully described below.

"additional individuals"

I. Individuals whose conduct is directly within the scope of the investigation.

The Special Counsel's Office (SCO) has been meeting with the Office of the Deputy Attorney General every other week to provide a briefing on the progress of the investigation. During those briefings, the SCO has provided sufficient information to establish that the conduct

should investigate

of additional individuals other than those named in the classified memorandum should be investigated as part of a full and thorough investigation of the Russian government's efforts to interfere in the 2016 presidential election, including any links and/or coordination between the Russian government and individuals associated with the campaign of President Donald Trump. Confirmation of the authorization to investigate such individuals does not suggest that the Special Counsel has made a determination that any of them has committed a crime. Rather, the Special Counsel has learned information such that further investigation of the pertinent activities of Michael Cohen, Richard Gates, [redacted], Roger Stone, and [redacted] is necessary for the Special Counsel to fulfill his responsibilities under the appointment order. I recommend that you confirm the authority of the Special Counsel to conduct that investigation.

Cohen  
Gates  
Stone

II. Individuals who are possibly engaged in jointly undertaken activity pertaining to authorized matters.

The Special Counsel has also identified persons or entities who may have been engaged in jointly undertaken activity with individuals the investigation of whom you previously determined to be within the scope of your appointment order. Investigation by the Special Counsel of these additional persons or entities would be consistent with the ordinary course for a United States Attorney's Office or a Department component. In other words, any such office investigating potential criminal activity by one person would include within the same investigation individuals or entities who may have been jointly involved to determine whether they are targets, subjects, or witnesses, or are wholly uninvolved. This practice increases efficiency by avoiding multiple investigations of the same conduct. It also enables the prosecuting office to be aware of the full scope of the conduct to accurately assess the relative culpability of all involved and to identify and obtain the cooperation of co-defendants and witnesses. Assignment at this time of the investigation of persons or entities who may have engaged in jointly undertaken activity to a United States Attorney's Office or Department component would create the possibility that an individual with relevant information about the Special Counsel's investigation might come forward with that information after the Special Counsel concludes his investigation. This occurrence would raise questions about the completeness of the Special Counsel's investigation and the accuracy of his conclusions. Confirmation of the Special Counsel's authority to investigate these matters would not preclude reassignment of such matters to a United States Attorney's Office or Department component at a later time.

You previously confirmed the Special Counsel's authority to investigate allegations that Paul Manafort committed a crime or crimes arising out of payments he received from or on behalf of the Ukrainian government before and during the tenure of President Viktor Yanukovich. The Special Counsel has determined that the following individuals or entities may have been jointly involved in that conduct: Richard Gates, [redacted]

Manafort

[redacted] I recommend that you confirm the Special Counsel's authority to investigate those individuals and entities in connection with their possible participation in that conduct.

Flynn | Business interests

You also previously confirmed the Special Counsel's authority to investigate allegations that Michael Flynn committed a crime or crimes by acting as an unregistered agent of Turkey. The Special Counsel has determined that Bijan Rafikian and Ekim Alptekin may have been jointly involved in that conduct. I recommend that you confirm the Special Counsel's authority to investigate those individuals and entities in connection with their possible participation in that conduct.

III. Michael Cohen

In the course of the investigation, with respect to Michael Cohen, the Special Counsel has discovered investigative leads the pursuit of which may result in the discovery of criminal conduct not directly related to the Russian government's efforts to interfere in the 2016 presidential election. Those leads relate to Cohen's establishment and use of Essential Consultants LLC in order to, *inter alia*, receive funds from Russian-backed entities. Because the investigation has also revealed links between Cohen and Russian government officials, the Special Counsel would like to pursue those leads for at least two reasons: (1) there is some evidence that certain of Cohen's actions may relate to the Russian government's efforts to interfere in the 2016 presidential election; and (2) Cohen may have information relevant to the Special Counsel's investigation, and pursuit of the leads may help to secure Cohen's cooperation, thus furthering the Special Counsel's full and thorough investigation of the Russian government's efforts to interfere in the 2016 presidential election. I recommend you confirm the authority of the Special Counsel to pursue the referenced leads.

IV. [REDACTED]

V. Summary recommendation

Based on the briefings the Special Counsel's Office has provided, I believe that the matters over which the Special Counsel seeks to confirm investigative authority are sufficiently predicated and appropriately within the scope of your appointment order. Further, centralizing the investigation of the identified matters with the Special Counsel for the time being will lead to a more timely and credible resolution of the investigation, which is squarely in the Department's and the nation's interests. For these reasons, I recommend you confirm the Special Counsel's authority to investigate the named individuals and matters in addition to those individuals and matters identified in the previously referenced classified memorandum.

With respect to any of the matters within the investigative authority of the Special Counsel, should the Special Counsel determine that: (1) the criminal conduct is unrelated to the

purpose of his appointment (and unrelated to matters addressed by 28 C.F.R. § 600.4(a)); and (2) charging the conduct is not likely to lead to discovery of relevant information, then that matter should be considered for reassignment to a United States Attorney's Office or Department component for prosecution.

Why would the FBI subpoena the computer? If the store owner could give it to Giuliani, he could give it to the FBI. Makes no sense.

And let's remember, Burisma was hacked last fall by Russia.

Do not be complicit in spreading Russian efforts to interfere in the election.

*\*SPECIAL HISTORICAL NOTE: In the the early evening of October 15, 2020, Twitter experienced a massive outage and become nonfunctional, locking out millions of users and making it impossible for them to post, view their timelines, or receive notifications.*

The full outage lasted for approximately 90 minutes before some degree of functionality returned to the website, however many users continued to be unable to post properly for several hours after the initial blackout. This was seen by many at the time as a transparent attempt to prevent the Hunter Biden story from going viral. An article from that day is included here for the reader's convenience. ## **SPECIAL HISTORICAL ARTICLE**

### **TRUMP IS QUESTIONED ABOUT "QANON" FOR THE THIRD TIME**

On the evening of October 15, 2020, one day after the New York Post broke the Hunter Biden laptop story, and only a few hours after Twitter temporarily became non-functional for users world-wide, President Trump appeared for a Townhall-style interview hosted by Savannah Guthrie of NBC News. He was once again asked to speak on the subject of "QAnon."

Due to the length of the exchange, only the first part of the transcript is provided here. The full answer can be found in the archive section:

----

**GUTHRIE:** *"Let me ask you about QAnon. It is this theory that Democrats are a satanic pedophile ring, and that you are the savior of that. Now can you just once and for all state that that is completely not true and that you disavow QAnon in it's entirety?"*

**PRESIDENT TRUMP:** *"So, I know nothing about QAnon. I know very little . . ."*

**GUTHRIE:** *"I just told you."*

**PRESIDENT TRUMP:** *"You told me, but what you tell me doesn't necessarily make it fact, I hate to say that. I know nothing about it. I do know that they are very much against pedophilia; they fight it very hard; but I know nothing about it."*

**GUTHRIE:** *"They believe it is a satanic cult run by the deep state."*

**PRESIDENT TRUMP:** *"I'll tell you what I do know about. I know about antifa, and I know about the radical left, and I know how violent they are and how vicious they are, and I know how they are burning down cities run by Democrats, not run by Republicans."*

----

As before, it should be noted: To date, all of the questions directed at President Trump and his White House representatives related to this topic have taken the form of *"What is the President's opinion of the 'QAnon' conspiracy theory?"* Neither President Trump, nor anyone from his White House, has ever been directly asked by a member of the press if they *know the identity* of Q, whether or not Q really is a *military intelligence operation*, whether or not any of Q's *actual posted claims* are true, if they will *reveal the identity* of Q, or if they have any intentions of launching an official investigation into *the identity* of Q. As of this writing, to this author's knowledge, these questions have also not been asked to, or by, any elected member of the United States federal government.

QAnon's JFK Jr. Conspiracy Theory Foiled, No Dallas Rally This Weekend

tmz.com QAnon's JFK Jr. Conspiracy Theory Foiled, No Dallas Rally This Weekend This is actually fake news, coming to you via QAnon.

1:00 PM · Oct 17, 2020 · divr.it

Sleeping Giants @slpng\_giants The most terrifying part of this is not that QAnon followers think that JFK Jr. is alive and will replace Mike Pence. It's that there are individual SECTS to this monstrosity. WTF

Travis View @travis\_view · 20h Big day in the "JFK Jr lives" sect of QAnon as the man himself is expected to reveal himself and replace Pence as Trump's running mate at the Dallas rally. Show this thread

Chip Franklin.com @chipfranklin BREAKING: JFK Jr tests positive for COVID and dies again, spoiling Qanon plans to replace Pence as Trump's VP.

Matt Binder @MattBinder here's Trump's schedule for today...no big Dallas rally. sorry QAnon. sorry JFK Jr.! looks like your big reveal got bumped once again.

LIVESTREAM: Remarks on Supporting the American Way of Life with President Donald J. Trump - Muskegon, MI

Jeet Heer @Heerjeet Nearly everything you need to know about QAnon can be seen by the fact that one faction of that movement thinks these are the same man (JFK Jr.).

Titus @TitusNation I apologize to the Qanon crew. You guys are really steady and sane. I'm in.

Prof Michael E. Mann @MichaelEMann Re-upping this one in light of "JFK Jr" trending today... #QAnon #DemonHauntedWorld #Sagan

Prof Michael E. Mann @MichaelEMann - Sep 6, 2020 Carl Sagan predicted QAnon more than two decades ago: "I have a foreboding of an America in my children's or grandchildren's time -- when the United States is a service and information economy; when nearly all the manufacturing industries have slipped away to other countries; when awesome technological powers are in the hands of a very few, and no one representing the public interest can even grasp the issues; when the people have lost the ability to set their own agendas or knowledgeably question those in authority; when, clutching our crystals and nervously consulting our horoscopes, our critical faculties in decline, unable to distinguish between what feels good and what's true, we slide, almost without noticing, back into superstition and darkness."

Eric Hananoki @ehananoki The whole QAnon / JFK Jr. thing really is one of the weirdest conspiracy theories:

Travis View @travis\_view · Oct 17, 2020 Big day in the "JFK Jr lives" sect of QAnon as the man himself is expected to reveal himself and replace Pence as Trump's running mate at the Dallas rally.

Molly Jong-Fast @MollyJongFast Today is the day JFK Jr comes back from the dead and replaces Mike Pence on the ticket!

Travis View @travis\_view Big day in the "JFK Jr lives" sect of QAnon as the man himself is expected to reveal himself and replace Pence as Trump's running mate at the Dallas rally.

\*SPECIAL HISTORICAL NOTE: On October 17th, 2020, corporate "news" accounts managed to get the "JFK Jr Lives" conspiracy theory trending on Twitter with the help of leftist blue check "journalists." There had been multiple questionable Twitter accounts popping up trying to connect this conspiracy theory to Q and Anons by making false predictions and attributing them to Q and those who cover his posts, in what appeared to be preparation for this fake news push right before the election. This campaign continued for most of the evening. The QResearch board was also flooded with bots pushing "JFK Jr" spam continuously all that night and into the next morning.

As seen in the preceding post, Q Specifically made a point of debunking this conspiracy theory once again that night. This would be the fourth such time Q had done so, with the other three times occurring in post #2611 on December 12th, 2018, post #3391 on July 9th, 2019, and post #4102 on May 4, 2020, wherein he links to a twitter exchange on the subject. These other posts are reproduced here for the reader's convenience.

**Jeff Tiedrich** @itsJeffTiedrich · May 3  
am I understanding this correctly? sheltering at home is a hoax, but [checks notes] JFK Jr. faking his own death in order to help Trump round up a gang of international sex traffickers is real? holy fucking shit, you stupid idiots are why our country can't have nice things

**PGenium** @PGenium · 24h  
In this case, you bring in the JFK Jr SPECULATION - not only has QAnon NOT said this, but when asked directly whether JFK Jr is alive, QAnon answered in the negative.

The JFK Jr speculation is fun but not at all central to the main theses that QAnon has been rolling out.

Dummy.

\*SPECIAL HISTORICAL NOTE: The link provided by Q became inaccessible almost immediately after his post was published, however at the time of this writing it is now active again. It's unclear what the cause of this disruption was, though it is possible it was due to temporarily high traffic from Q's post overloading the site. The link directs to a 4 second clip from the movie "Crimson Tide" in which Denzel Washington says the line "Set condition 1 SQ for strategic missile launch." This is from the scene in the film in which the use of nuclear weapons is authorized. Backup Youtube links have been provided in the archive.

## SPECIAL HISTORICAL ARTICLE

During President Donald Trump's outdoor campaign rally in Gastonia, North Carolina, on the night of October 21, 2020, it was noted by Anons on the board and on Twitter that President Trump made a comment near the start of his speech that appeared to directly reference a very well-known series of Q posts.

Q had at this point used the word "Boom" in more than two-dozen separate posts throughout the previous 3 years, usually in the context of referring to declassifications,

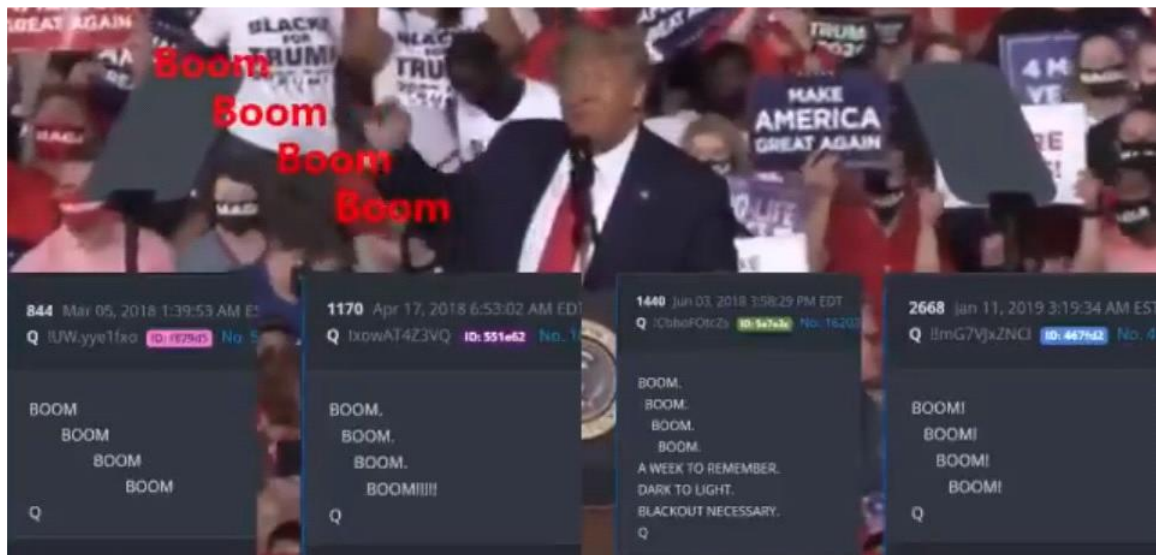

document dumps, or other revelations which would be harmful for members of the deep state. Most notably, he had published posts on eight separate occasions which show the words "BOOM BOOM BOOM BOOM" staggered in a stair-step pattern; the first published on March 5, 2018, and the most recent (at the time of this writing) on January 11, 2019. Two examples, both the earliest and the most recent, are shown here:

At the 00:2:59 (two minute, fifty-nine second) mark in the link provided here (02:35 in the alternate link), the President makes the following statement: "Thirteen days from now; and you see what's going on, you see, uh-oom boom boom boom. Oh, they're gettin' a little nervous over there, you know? The Deep State. The Democrats."

<https://youtu.be/Xxc9bLTeUJA?t=179>  
<https://www.bitchute.com/video/6JNy1AKXhd3G/>

What's even more notable than the statement is that when he says it, he moves his hand in a stair-step pattern on each "boom" which follows the same pattern as the multiple Q posts using this structure. This was taken by many to be a direct confirmation of Q by the President, as well as a call-back to the "strategic missile launch" referenced by Q in post #4903 with the clip from the film "Crimson Tide."

It should also be noted by the reader that the film "Crimson Tide" takes place during the span of 13 calendar days; October 20 - November 2; and includes multiple date-stamps

on screen at various points throughout the film (also of note, Denzel Washington's character " in the film is named "Hunter"):

Q post #4924 regarding "**BOOMS EN\_ROUTE**" followed shortly after the rally had concluded and, needless to say, it left many Anons wondering and speculating about what might happen the following day.

At a press conference at the Interfax-Ukraine agency on Wednesday, MP Andriy Derkach announced that deputies have received new materials from investigative journalists about international corruption and the participation of Ukrainian officials in it.

"Last week, November 14, the Prosecutor General's Office (PGO), unnoticed by the media, announced a new suspicion to the notorious owner of Burisma, ex-Ecology Minister Zlochevsky. According to the suspicion, the Yanukovich family is suspected, in particular, with legalizing (laundering) of criminally obtained income through Franklin Templeton Investments, an investment fund carrying out purchases of external government loan bonds totaling \$7.4 billion," Derkach said.

With reference to the investigation, he emphasized: it was money criminally obtained by the "family" of Yanukovich and invested in the purchase of Ukrainian debt in 2013-2014.

For his part, MP Oleksandr Dubinsky from the Servant of the People faction said that according to investigators, "the Yanukovich 'family' illegally obtained \$7.4 billion and laundered the funds through an investment fund close to some representatives of the U.S. Democratic Party in the form of external government loan bonds."

Meanwhile, Derkach said that several facts indicate Franklin Templeton Investments' relationship with the U.S. Democratic Party.

"The son of Templeton's founder, John Templeton Jr., was one of President Obama's major campaign donors. Another fund-related character is Thomas Donilon. Managing Director of BlackRock Investment Institute, shareholder Franklin Templeton Investments, which has the largest share in the fund. It is noteworthy that he previously was Obama's national security advisor," Derkach said.

## SPECIAL HISTORICAL ARTICLE

### FORMER HUNTER BIDEN BUSINESS PARTNER AND Q CLEARANCE NAVAL OFFICER TONY BOBULINSKI BLOWS THE WHISTLE ON JOE BIDEN'S CORRUPTION

On October 21, 2020, former naval officer Tony Bobulinski published a press release detailing his knowledge of foreign business corruption on the part of former Vice President Joe Biden and the Biden family. Bobulinski was a former business partner of Hunter Biden and Jim Biden, the son and brother of then presidential candidate Joe Biden. The following day he held a press conference in which he showed archived text messages stored on multiple phones which demonstrated his interactions with members of the Biden family and other business associates and their efforts to conceal Joe Biden's direct involvement in foreign business dealings. Links to the full press conference are included here.

Later that week, on October 27, Bobulinski sat down with Tucker Carlson for an hour-long interview on Fox News show "Tucker Carlson Tonight" where he went into extensive detail about the efforts of Biden family members and their business associates to benefit from Joe Biden's political connections while at the same time concealing Joe Biden's direct involvement with and financial benefit from their foreign business dealings. Links to the full interview are included here.

During the interview, Bobulinski made statements which immediately caught the attention of the Anon community. He twice drew attention to the fact that he held a "Q clearance" for Top Secret intelligence when he served as an officer in the United States Navy. A transcript of these portions of the interview is provided here, along with a video link for the excerpted quotes.

#### **TONY BOBULINKSI ON Q CLEARANCE:**

*". . . I was a naval officer myself, and because I held a Q clearance, which is the equivalent of a Top Secret clearance, we're audited every year." . . . "I held a Top Secret clearance from the NSA and the DOE. I served this country for four years in one of the most elite environments in the world, Naval Nuclear Power Training Command." . . . "Obviously I've referenced I held a Q clearance. You're briefed on compromise and who you're able to talk with and deal and do business with."*

This fact was mentioned in multiple news articles the following morning, with left-wing outlets like Newsweek taking advantage of the online chatter the interview generated to print their usual tabloid-style headlines attacking "QAnon."

"So, I think Joe Biden and the Biden family are compromised," Bobulinski responded. "Obviously, I'd reference that I held a Q clearance, you're briefed on compromise and who you're able to talk with . . ."

When Q first began posting to 4chan "/pol" message board back in October of 2017, he spoke specifically about Q clearance, first by posting a thread titled "**Bread Crumbs - Q Clearance Patriot**" which spanned Q posts #14 - #33. Starting with post #34 he began a new thread called "**Calm Before The Storm**" and, after that, "**Calm Before The Storm #2**," to which he made the following posts explaining the significance of Q clearance as it related to his reasons for posting to the message boards.

The significance of Tony Bobulinski's statements regarding Q clearance and his reasons for drawing attention to it are, as always, left for the reader to decide.

Q

-----  
\*SPECIAL HISTORICAL NOTE: On this particular day, the board had become increasingly disordered, with multiple breads (threads) running at the same time when there is usually only supposed to be one. Breads top out at 751 posts, and then the "baker" must take the notable posts from the previous bread and "roll" them into a "dough" file which is handed off to the next baker.

At this time on the board, several cliques of bakers had been struggling for control of the board and divided the "kitchen" into competing factions. This had come to a head in recent days, with multiple breads being baked at the same time on a regular basis and disrupting the flow of the board.

At the time Q posted, there were a total of 5 competing breads (by this point 3 of them had already been locked by the Board Owner, leaving two competing breads remaining). Seeing as this was the day of the second presidential debate, this was seen by many as a deliberate tactic from outside agitators ("skills") with the intended purpose of disrupting the board and making it difficult for Q to post properly. The following picture was not posted by Q; it is included by the author to provide the reader with historical context for the state of the board that day.

OPEN LETTER  
TO THE PRESIDENT OF THE UNITED STATES OF AMERICA  
DONALD J. TRUMP

Sunday, October 25, 2020  
*Solemnity of Christ the King*

Mister President,

Allow me to address you at this hour in which the fate of the whole world is being threatened by a global conspiracy against God and humanity. I write to you as an Archbishop, as a Successor of the Apostles, as the former Apostolic Nuncio to the United States of America. I am writing to you in the midst of the silence of both civil and religious authorities. May you accept these words of mine as the "voice of one crying out in the desert" (Jn 1:23).

As I said when I wrote my letter to you in June, this historical moment sees the forces of Evil aligned in a battle without quarter against the forces of Good; forces of Evil that appear powerful and organized as they oppose the children of Light, who are disoriented and disorganized, abandoned by their temporal and spiritual leaders.

Daily we sense the attacks multiplying of those who want to destroy the very basis of society: the natural family, respect for human life, love of country, freedom of education and business. We see heads of nations and religious leaders pandering to this suicide of Western culture and its Christian soul, while the fundamental rights of citizens and believers are denied in the name of a health emergency that is revealing itself more and more fully as instrumental to the establishment of an inhuman faceless tyranny.

A global plan called the *Great Reset* is underway. Its architect is a global elite that wants to subdue all of humanity, imposing coercive measures with which to drastically limit individual freedoms and those of entire populations. In several nations this plan has already been approved and financed; in others it is still in an early stage. Behind the world leaders who are the accomplices and executors of this infernal project, there are unscrupulous characters who finance the *World Economic Forum* and *Event 201*, promoting their agenda.

The purpose of the *Great Reset* is the imposition of a health dictatorship aiming at the imposition of liberticidal measures, hidden behind tempting promises of ensuring a universal income and cancelling individual debt. The price of these concessions from the International Monetary Fund will be the renunciation of private property and adherence to a program of vaccination against Covid-19 and Covid-21 promoted by Bill Gates with the collaboration of the main pharmaceutical groups. Beyond the enormous economic interests that motivate the promoters of the *Great Reset*, the imposition of the vaccination will be accompanied by the requirement of a health passport and a digital ID, with the consequent contact tracing of the population of the entire world. Those who do not accept these measures will be confined in detention camps or placed under house arrest, and all their assets will be confiscated.

Mr. President, I imagine that you are already aware that in some countries the *Great Reset* will be activated between the end of this year and the first trimester of 2021. For this purpose, further lockdowns are planned, which will be officially justified by a supposed second and third wave of the pandemic. You are well aware of the means that have been deployed to sow panic and legitimize draconian limitations on individual liberties, artfully provoking a world-wide economic crisis. In the intentions of its architects, this crisis will serve to make the recourse of nations to the *Great Reset* irreversible, thereby giving the final blow to a world whose existence and very memory they want to completely cancel. But this world, Mr. President, includes people, affections, institutions, faith, culture, traditions, and ideals: people and values that do not act like automatons, who do not obey like machines, because they are endowed with a soul and a heart, because they are tied together by a spiritual bond that draws its strength from above, from that God that our adversaries want to challenge, just as Lucifer did at the beginning of time with his "*non serviam*."

Many people – as we well know – are annoyed by this reference to the clash between Good and Evil and the use of "apocalyptic" overtones, which according to them exasperates spirits and sharpens divisions. It is not surprising that the enemy is angered at being discovered just when he believes he has reached the citadel he seeks to conquer undisturbed. What is surprising, however, is that there is no one to sound the alarm. The reaction of the deep state to those who denounce its plan is broken and incoherent, but understandable. Just when the complicity of the mainstream media had succeeded in making the transition to the New World Order almost painless and unnoticed, all sorts of deceptions, scandals and crimes are coming to light.

Until a few months ago, it was easy to smear as "conspiracy theorists" those who denounced these terrible plans, which we now see being carried out down to the smallest detail. No one, up until last February, would ever have thought that, in all of our cities, citizens would be arrested simply for wanting to walk down the street, to breathe, to want to keep their business open, to

want to go to church on Sunday. Yet now it is happening all over the world, even in picture-postcard Italy that many Americans consider to be a small enchanted country, with its ancient monuments, its churches, its charming cities, its characteristic villages. And while the politicians are barricaded inside their palaces promulgating decrees like Persian satraps, businesses are failing, shops are closing, and people are prevented from living, traveling, working, and praying. The disastrous psychological consequences of this operation are already being seen, beginning with the suicides of desperate entrepreneurs and of our children, segregated from friends and classmates, told to follow their classes while sitting at home alone in front of a computer.

In Sacred Scripture, Saint Paul speaks to us of "the one who opposes" the manifestation of the *mystery of iniquity*, the *kathèkon* (2 Thess 2:6-7). In the religious sphere, this obstacle to evil is the Church, and in particular the papacy; in the political sphere, it is those who impede the establishment of the New World Order.

As is now clear, the one who occupies the Chair of Peter has betrayed his role from the very beginning in order to defend and promote the globalist ideology, supporting the agenda of the deep church, who chose him from its ranks.

Mr. President, you have clearly stated that you want to defend the nation – *One Nation under God*, fundamental liberties, and non-negotiable values that are denied and fought against today. It is you, dear President, who are "the one who opposes" the deep state, the final assault of the children of darkness.

For this reason, it is necessary that all people of good will be persuaded of the epochal importance of the imminent election: not so much for the sake of this or that political program, but because of the general inspiration of your action that best embodies – in this particular historical context – that world, our world, which they want to cancel by means of the lockdown. Your adversary is also our adversary: it is the Enemy of the human race, He who is "a murderer from the beginning" (Jn 8:44).

Around you are gathered with faith and courage those who consider you the final garrison against the world dictatorship. The alternative is to vote for a person who is manipulated by the deep state, gravely compromised by scandals and corruption, who will do to the United States what Jorge Mario Bergoglio is doing to the Church, Prime Minister Conte to Italy, President Macron to France, Prime Minister Sanchez to Spain, and so on. The blackmailable nature of Joe Biden – just like that of the prelates of the Vatican's "magic circle" – will expose him to be used unscrupulously, allowing illegitimate powers to interfere in both domestic politics as well as international balances. It is obvious that those who manipulate him already have someone worse than him ready, with whom they will replace him as soon as the opportunity arises.

And yet, in the midst of this bleak picture, this apparently unstoppable advance of the "Invisible Enemy," an element of hope emerges. The adversary does not know how to love, and it does not understand that it is not enough to assure a universal income or to cancel mortgages in order to subjugate the masses and convince them to be branded like cattle. This people, which for too long has endured the abuses of a hateful and tyrannical power, is rediscovering that it has a soul; it is understanding that it is not willing to exchange its freedom for the homogenization and cancellation of its identity; it is beginning to understand the value of familial and social ties, of the bonds of faith and culture that unite honest people. This *Great Reset* is destined to fail because those who planned it do not understand that there are still people ready to take to the streets to defend their rights, to protect their loved ones, to give a future to their children and grandchildren. The leveling inhumanity of the globalist project will shatter miserably in the face of the firm and courageous opposition of the children of Light. The enemy has Satan on its side, He who only knows how to hate. But on our side, we have the Lord Almighty, the God of armies arrayed for battle, and the Most Holy Virgin, who will crush the head of the ancient Serpent. "If God is for us, who can be against us?" (Rom 8:31).

Mr. President, you are well aware that, in this crucial hour, the United States of America is considered the defending wall against which the war declared by the advocates of globalism has been unleashed. Place your trust in the Lord, strengthened by the words of the Apostle Paul: "I can do all things in Him who strengthens me" (Phil 4:13). To be an instrument of Divine Providence is a great responsibility, for which you will certainly receive all the graces of state that you need, since they are being fervently implored for you by the many people who support you with their prayers.

With this heavenly hope and the assurance of my prayer for you, for the First Lady, and for your collaborators, with all my heart I send you my blessing.

God bless the United States of America!
